

Be a WAGE Champion!

Dear WAGE members,

We are looking for Nurses and Allied Healthcare Professionals.
Do you work in Gastroenterology, Endoscopy, Hepatology or Microbiology and feel
you can improve your workforce?
Want to feed into a national network that can support and tackle your issues whilst
promoting your success stories?

You must have:

- Enthusiasm
- A desire to make a difference for your patients, services and colleagues
- Drive to raise issues from colleagues and bring them to a wider national network
- Pride to shout about your department's achievements
- Tenacity to support national projects and raise your own agendas

Requirements:

- Attendance of four annual online meetings.
- Email communication with WAGE executives - giving you frontline updates on WAGE!
- Two-way communication with WAGE and your clinical area!

This opportunity will enable you to have a direct link with WAGE
You will be able to raise issues that maybe you feel can't be resolved on a local level
You will have the opportunity to network with other champions across Wales and share
information on how services are run
Multiple champions will be considered. You can represent your department, service or health
board!

You can be a Nurse, HCA, allied health professional or trainee

A great addition to your CV
